

Content Editing Agreement Draft
Between
Chrispy Games (Chris Isaiah Bailey) and RYANtheComm (Ryan Grimes)

This Content Editing Agreement is entered into on _____, by and between:

Client: Chris Isaiah Bailey ("Client")

Editor: Ryan Grimes ("Editor")

Scope of Work

- Review, scrub, and lightly edit livestream VODs or other videos provided by the Client for upload as finished long-form content, including an intro when requested by the Client.
- Maintain a lightly edited, authentic, "from the source" feel in the finished products.
- Follow brand guidelines, tone, and content direction as communicated by the Client.
- Provide optional additional services at the Client's discretion, including Teasers, Moments, and Shorts, as communicated by the Client with each submitted VOD or video.
- The Client is responsible for submitting the source VOD, livestream, or video to the Editor, and the Editor requests that source files be provided in .mp4 or .mov format.

Compensation

- VOD Scrubbing Rate: \$20.00 per hour of source VOD or livestream footage reviewed and lightly edited by the Editor. Edits after VOD scrubbing are primarily adjusting start and end times of the VOD uploaded by the client to the editor.
- Teaser Rate: \$5.00 per minute of completed and approved teaser content, with teaser length generally expected to be about 30 seconds unless the content reasonably calls for a different length. At client's discretion.
- Moments Rate: \$10.00 per completed and approved Moment. A Moment is a highly edited section of the Client's VOD, generally between approximately 10 seconds and 1 minute in length, depending on the story or context of the Moment. At client's discretion.
- Moment Quantity Expectation: Up to 3 Moments may be included per finished long-form video unless the Client specifically requests more.
- Short Rate: \$10.00 per completed and approved short-form video. Number of shorts at client's discretion.
- Shorts will generally be no longer than 1 minute and 30 seconds unless the context of the content reasonably requires a longer runtime for viewers to follow.
- Any short requiring significant additional editing time may incur an additional \$5.00 charge at the Editor's discretion, provided the Editor clearly communicates this to the Client before proceeding with the edit.

Payments

- The Editor will provide an invoice in the form of a viewable Google Sheets spreadsheet, detailing completed deliverables.
- Each invoice will clearly state the deadline for payment, and usually submitted on Fridays. The due invoice date will always be 1 month after submission. The client can pay in installments.
- VODS, Videos, Teasers, Moments, and Shorts: These services will be invoiced based on completed and approved deliverables, unless otherwise agreed by both parties in writing.
- The editor requests payments be made via Venmo or similar payment method unless otherwise renegotiated at a later time.

Deliverables

- Final long-form files will be delivered via upload to the Client's channel or submitted in .mp4 or .mov format according to the Client's preference.
- Teasers will be edited to follow the general story, direction, or best moments of the source VOD.
- Moments will include heavier edits such as zooms, memes, highlights, or similar stylized enhancements as appropriate to the content.
- Shorts will be exported in the typical vertical format suitable for YouTube Shorts, TikTok, and similar platforms. All shorts will include captions unless the Client directs otherwise.

Service Due Date Expectations

- Long-form uploads, teasers, moments, and shorts will be delivered as soon as reasonably possible within mutually agreed turnaround expectations after the Client submits the required source materials and identifies any requested optional services.
- The editor's presumed deadline for each submission to the client is 1-2 weeks. In the case of sickness or other unforeseen circumstances, the editor may communicate with the client that they need more time.

Revisions

- The Client may request up to 2 minor edits for each submitted short if needed.
- Minor edits include light changes such as timing adjustments, small text changes, or similarly limited refinements.
- Major edits to a short may be charged an additional \$5.00 at the Editor's discretion. Major edits may include the addition of custom imagery or sequences, substantial length changes, or other requests requiring significant additional editing.

Ownership and Rights

- All edited content becomes the property of the Client upon full payment.

- The Editor may use completed and publicly released content for self-promotion, demo reels, and portfolio purposes.
- The Editor may not otherwise post, distribute, or reuse the content without written permission from the Client.

Confidentiality

- The Editor agrees to keep all unpublished content, private information, and business details confidential.
- The Client agrees to respect the Editor's personal privacy and not share private communication or identifying data.
- The Editor may reference their work when presenting to potential future clients but will not disclose private or unreleased content.

Terms and Termination

- Either party may terminate this Agreement at any time with written notice.
- The Client agrees to pay for all work completed up to the termination date. In the event of breach, the non-breaching party may pursue appropriate remedies.

Independent Contractor

- The Editor is an independent contractor and is responsible for their own taxes, software, and equipment.

Entire Agreement

- This document represents the full understanding between the Parties and supersedes all prior discussions.
